Condo & Villa Guide

**We can build any custom package for you.
 You can also play any course in Myrtle Beach
 combined with with any Barefoot Resort Rounds.**

The rates are per person **including all taxes**

(rate also applies to non-golfers, you do not have to play golf to receive these rates) .

Unit rate total per night = price per person x beds in unit

Select your location, take the daily rate and multiply it times the number of nights you want to stay and that is your cost of accommodations.

Add this to your golf selection and that is your total package cost.
